"The Indian Tea Licensing Committee Leave by-laws 1950."

1. These by-laws may be called "the Indian Tea Licensing Committee Leave by-laws 1950."

2. These by-laws shall come into force on the 1st December, 1950.

3. These by-laws shall apply (with retrospective effect where necessary from the commencement of service counting for leave) to all employees of the Indian Tea Licensing Committee constituted under—

- (a) the Indian Tea Control Act, 1933; and
- (b) the Indian Tea Control Act, 1938.

4. In these rules—

- (i) "superior service" means service in posts other than those of daftries, peons and of other inferior servants;
- (ii) "inferior service" means service in posts of daftries, peons and all other inferior posts;
- (iii) "substantive pay" means the pay which an officer appointed substantively to a post is entitled to and excludes officiating pay, special pay and personal pay;

- (iv) "leave" includes earned leave, half-pay leave, commuted leave, leave not due and extraordinary leave;
- (v) "earned leave" means leave earned in respect of periods spent on duty;
- (vi) "half pay leave" means leave earned in respect of completed years of service and regulated by-law;
- (vii) "earned leave due" means the amount of earned leave to the credit of an officer on the 30th November, 1950, under the rules in force on that date plus the amount of earned leave, calculated as prescribed in by-law 10 or by-law 12, as the case may be, diminished by the amount of earned leave taken after the 30th November, 1950.
- (viii) "half pay leave due" means the amount of half pay leave, calculated as prescribed in by-law 11 for the entire service diminished by the amount of leave on private affairs and leave on medical certificate taken before the 1st December 1950 and half pay leave taken on or after that date.
- (ix) "commuted leave" means leave taken under sub-rule (c) of by-law 11.
- (x) "Officer in permanent employ" means an officer who holds substantively a permanent post and excludes officers employed to fill up any temporary officiating or casual appointment.

5. Leave cannot be claimed as of right. Discretion is reserved to the authority empowered to grant leave to refuse or revoke leave at any time according to the exigencies of the Committee's work.

6. Unless the authority empowered to grant leave shall otherwise determine, an officer shall cease to be in the Committee's employ if he is continuously absent from duty for five years whether with or without leave unless such absence is condoned by the Committee.

7. Any kind of leave under these by-laws may be granted in combination with or in continuation of any other kind of leave.

8. No leave shall be granted beyond the date on which the service of an officer under the Committee is ordinarily due to terminate:

Provided that the authority empowered to grant leave may allow any officer who had applied for and been refused in whole or in part on account of exigencies of the Committee's work the earned leave which was due to him pending retirement, the whole or any portion of the earned leave so refused even though it extends to a date beyond the date on which the service of such officer under the Committee is ordinarily due to terminate:

Provided further that no leave may be granted under the foregoing proviso without the previous sanction of the Central Government to extend beyond the date on which the Committee will cease to exist.

9. Subject to the provisions of rule 6 and rule 9 an officer may at any time be granted the whole or any part of the earned leave due to him.

10. The earned leave admissible to an officer in permanent employ is—

- (a) to an officer in superior service—one-eleventh of the period spent on duty;
- (b) to an officer in inferior service—
 - (i) one-twentysecond of the period spent on duty during the first ten years of service;
 - (ii) one-sixteenth of the period spent on duty during the next ten years of service; and
 - (iii) one-eleventh of the period spent on duty thereafter.

Provided that an officer will cease to earn such leave when the earned leave due amounts to—

- (i) 120 days in the case of an officer in superior service;
- (ii) in the case of an officer in inferior service—
 - (1) 60 days during the first ten years of service;
 - (2) 90 days during the next ten years of service; and

(c) Commuted leave not exceeding half the amount of half pay leave due may be granted on medical certificate only to an officer in permanent employ subject to the following conditions:—

- (i) Commuted leave during the entire service shall be limited to a maximum of 180 days;
- (ii) when commuted leave is granted, twice the amount of such leave shall be debited against the half pay leave due;
- (iii) the total duration of earned leave and commuted leave taken in conjunction shall not exceed 180 days.

Provided that no commuted leave may be granted under this rule, unless the authority competent to sanction leave has reason to believe that the officer will return to duty on its expiry.

(d) Save in the case of leave preparatory to retirement, leave not due may be granted to an officer in permanent employ for a period not exceeding 180 days during his entire service only on medical certificate. Such leave will be debited against the half pay leave the officer may earn subsequently.

NOTE.—Leave not due should be granted only if the authority empowered to sanction leave is satisfied that there is a reasonable prospect of the officer returning to duty on the expiry of the leave, and it should be limited to the half pay leave he is likely to earn thereafter.

12. The provisions of by-laws 10 and 11 apply also to an officer not in permanent employ except that in respect of first year of service the earned leave admissible is—

- (i) to an officer in superior service—one-twentysecond of the period spent on duty;
- (ii) to an officer in inferior service—one-thirtieth of the period spent on duty:

Provided that—

- (a) no half pay leave may be granted unless the authority competent to sanction leave has reason to believe that the officer will return to duty on its expiry; and

- (b) no leave not due shall be granted.

13. An officer not in permanent employ appointed without interruption of duty substantively to a permanent post will be credited with the earned leave which would have been admissible if his previous duty had been duty as an officer in permanent employ diminished by any earned leave already taken. Leave is not an interruption of duty for the purpose of this rule.

14. (1) Extraordinary leave may be granted to any officer in special circumstances—

- (a) when no other leave is by rule admissible; or
- (b) when other leave is admissible, but the officer concerned applies in writing for the grant of extraordinary leave.

(2) Except in the case of an officer in permanent employ, the duration of extraordinary leave shall not exceed three months on any one occasion.

(3) The authority empowered to grant leave may commute retrospectively periods of absence without leave into extraordinary leave.

15. (1) An officer on earned leave is entitled to leave salary equal to greater of the amounts specified below:—

- (i) the substantive pay on the day before the leave commences; or
- (ii) (a) in respect of the first 60 days of the earned leave, the average monthly pay earned during the 12 complete months preceding the month in which the leave commences; and
- (b) thereafter the average monthly pay earned during the 36 complete months preceding the month in which the leave commences.

(2) An officer on half pay leave or leave not due is entitled to leave salary equal to half the substantive pay on the day before the leave commences or half the amount specified in clause (ii) (b) of sub-rule (1), whichever amount is greater, subject in either case to a maximum of Rs. 750.

(3) An officer on commuted leave is entitled to leave salary equal to twice the amount admissible under sub-rule (2).

(4) An officer on extraordinary leave is not entitled to any leave salary.

Explanation.—For the purpose of this by-law “substantive pay” means the substantive pay of the permanent post which the officer holds substantively.

16. The Indian Tea Licensing Committee Leave Rules, 1941, are hereby repealed.

New Delhi, the 13th February 1951.

S.R.O. 204(46).—In pursuance of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947) the Central Government is pleased to publish the following award of the Industrial Tribunal, Dhanbad, in the industrial dispute between the North Chirimiri Colliery and their workmen.

CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL AT DHANBAD.

Reference No. 5 of 1950.

PRESENT:

Sri S. P. Varma, Barrister-at-Law, Chairman, Central Government Industrial Tribunal, Dhanbad.

PARTIES:

For the Management:

Shri J. R. Chandra, Labour Officer of the Colliery, along with Shri D. D. Diddee, Agent of the Colliery.

For the Workmen:

Shri Malaviya, President, Chhatishgarh Colliery Workers Federation, Manendragarh. M.P.

AWARD

This dispute which has been referred to the Central Government Industrial Tribunal at Dhanbad by a Notification of the Government of India, Ministry of Labour, No. LR.2(196) dated 16th October 1950 concerns the management of the

North Chirimiri Colliery and their workmen in respect of the matters specified in the Schedule of the above Notification. The notification runs as follows:

"Whereas an industrial dispute has arisen between the management of the North Chirimiri Colliery and their workmen in respect of the matters specified in the Schedule hereto annexed:

And whereas the Central Government considers it desirable to refer the dispute for adjudication;

Now, therefore, in exercise of the powers conferred by clause (c) of sub-section (1) of Section 10 of the Industrial Disputes Act, 1947 (XIV of 1947), the Central Government is pleased to refer the said dispute for adjudication to the Central Government Industrial Tribunal at Dhanbad, constituted under Section 7 of the said Act.

SCHEDULE

1. Supply of uniforms to chowkidars and peons.

2. Payment of arrears to the basic cut from the salary of the staff.

3. Reinstatement of Shri R. K. Dubey."

2. After the statements were received from the parties the case was taken up for hearing for the first time on 15th January 1951. As the case was not concluded on 15th January the next date of hearing was fixed for 19th January 1951. On this date a representative of Shri Chandra appeared and prayed for a day's adjournment and the case was taken up on 20th January, on which date the hearing was concluded.

3. So far as the first issue is concerned Shri Malaviya appearing on behalf of the workers has urged that the chowkidars and peons need some sort of protection against the extremes of climate and for the sake of their health. On that point the management says that it is the lookout of the management to see that its servants of the type of chowkidars and peons are protected from cold and heat and contends that there is no such provision made in the Government award which is known as Korea Award. They further point out that there is no such item in the memorandum of demand dated 21st May 1949 addressed to the Agent of the colliery. Shri Malaviya after some discussion said that he was not very keen about the summer uniforms but something must be given to the chowkidars and peons to protect them during winter months. Although it has been stated several times that the climate of Chirimiri is apt to be extremely cold or hot, nothing has been placed before me nor have I been shown any authoritative statement on this point. Moreover, this is a matter in which the management if properly approached are bound to take a reasonable attitude. Therefore I do not see any reason to pass an order for the supply of uniforms to chowkidars and peons in this colliery.

4. So far as the second issue is concerned, namely payment of arrears to the basic cut from the salary of the staff, Shri Malaviya urged that this matter was first mentioned to the President of the State Congress by the employers on 6th February 1948. Besides other employees affected, the chief persons who are affected by the so-called cut were B. B. Shrivastava, Overman, Shri Ghosal, Store Keeper, and Shri R. K. Dubey, Welgh Bridge Clerk. This matter was then taken up, according to Shri Malaviya by the Federation, from March 1948. Various attempts at conciliation were made from 1st August 1948 to 18th and 19th August 1950.

5. It must be noted that the wage cut is not with regard to the cut in the wages of labourers but cut in the wages of the staff. The original number of employees that was affected was something like 10 in all, in November 1947, and only 5 upto December 1950. What is known as a cut was however restored in March 1949 as a result of a conference between the parties. With regard to the arrears from the 1st November 1947 to March 1949 stress was laid upon a letter issued by the Regional Labour Commissioner (Central), Dhanbad, dated 6th March 1950 in which the expression used is "restoration of the cut should be considered."

6. In order to understand the relative importance of this item of dispute it is necessary to mention a few facts about which there can be no controversy. There was an award in Korea State which raised the selling price of coal from Rs. 14-1-0 per ton to Rs. 17-6-0 per ton. This increase in price was to take effect from the 1st of November 1947. Similarly the wages were also increased from 1st November 1947. In January 1948 Korea State merged into Madhya Pradesh. The Government of India reduced the price of coal by Rs. 2-5-0 per ton. This change in the reduction of price of coal is sure to affect to a certain extent the Korea Award, and the arrangements made thereunder. Although a cut was introduced after the price was reduced, those cuts are really a kind of adjustment in the wages in order to bring the wages in this colliery on a par with the neighbouring collieries. This cut was restored in March 1949. At that time no one seems to have raised any question about the arrears and even these three persons who

were prominently mentioned do not seem to have definitely raised that question at the time when the cut was restored, that is to say in March 1949. I am afraid that this item of dispute is a belated one and I would hold that the case for restoration of cuts, of some of the members of the staff has not been made out.

7. So far as the last issue namely the reinstatement of Shri R. K. Dubey is concerned, the parties I am glad to say, have come to an understanding. The document that has been placed before me has been signed by the representatives of both parties. The agreement runs as follows:

"20-1-1951.

Parties agree that Shri R. K. Dubey should be re-employed within three months from the date of the publication of the award. He would be entitled to his pay from the date of his employment, if within that three months, or if beyond three months, then from the end of three months after the publication of the award.

R. L. MALVIYA.

20th January 1951.

President, Chh. Colliery Workers Federation.
D. D. DIDDEE.

Agent, North Chirimiri Colliery.

20th January 1951.
20-1-51.

S. P. VARMA,
Chairman,

Industrial Tribunal, Dhanbad."

A copy of that document is put in as Annexure A to this award. My award on this issue therefore is in terms of the agreement arrived at.

Before I close this award I may mention that a question was raised by the management about the competence of the President of the Federation to represent the workers of the colliery on the strength of a document filed by them containing a number of signatures. I do not consider it necessary to go into this question chiefly in view of the fact that the Letter of Reference mentions the President of the Federation as one of the persons to whom a copy has to be sent.

I therefore give my award in terms aforesaid.
